Commissioner for Patents

The reply filed on June 29, 2005 is not fully responsive to the prior office action as per 37 CFR 1.111 because of the following omissions or matters: It fails to correctly use the status claim identifiers as required by 37 CFR 1.21. The status of claim 6 is WITHDRAWN. The claim is drawn to a non-elected species, the restriction requirement having been made final in the Final Rejection mailed February 13, 2004.

As this is the third indication of a non-compliant amendment, the period for response cannot be restarted. The period for response continues as set forth in the second indication of a non-compliant amendment. Extensions of the previous time period may be granted under 37 CFR 1.136(a).
